

LOCAL ENTERPRISE AUTHORITY

LOCAL ENTERPRISE AUTHORITY RESPONSE TO CORONA VIRUS

In recognition of the COVID19/Coronavirus pandemic and its impact on public health both nationally and globally, the Local Enterprise Authority (LEA) has developed a response plan to further uphold Government precautionary measures and reduce the spread of the virus. All Stakeholders and the members of the public are requested to note the following:

- Physical engagements by SMME's and stakeholders at LEA branches and offices are strictly discouraged, and services will be provided through the telephone and email channels effective 24th March 2020 until further notice.
- All LEA events have been suspended until further notice; these include monthly flea markets, training, workshops and SMME Pitso and Fair.
- In order to minimize the risks of Corona Virus transmission, majority of LEA employees will work from home, and skeletal Staff will remain in the offices to ensure business continuity.
- Where necessary virtual meetings will be held to avoid physical contact.
- Information leaflets/brochures have been distributed to all LEA offices country-wide to create awareness on Corona virus.

LEA Offices can be reached on the following contacts:

LEA Office	Telephone	Email

We remain committed to continue providing services during this period, and have dedicated the necessary resources to ensure that services continue without interruption.

Members of the public are encouraged to continue implementing precautionary measures to reduce the spread of Corona virus as advised by the Ministry of Health and Wellness.

Wash your hands with soap and sanitize

Avoid unnecessary movement and crowded places

When coughing and sneezing cover your mouth with a flexed elbow
